19 I ask that the court set ASIDE the Restraining order
20 Ruling DO to the fact that I WAS late for court and
21 missed the hearing.
22 Your Honor on my way to court this morning I RAN
23 into car trouble on Venice and spending. my car
24 shut off in the middle of Venice Blvd in the center
25 lane. After a while of Attemping to stay down half

gas can or got gas. I flagged down a police
car, AND told them my situation, and they suggested
I call 311 non-emergency information to see if they
can help me notify your court that I was on my
way. After calling 311 at the pay phone by the gas
station, I WAS finally connected to some service that
was able to give me the Santa Monica courthouse
number, and then I spoke to your clerk, by then
she told me that you had already ruled. I
am filing this motion to set aside, humbly
ask that you hear my case before ruling on

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES, WEST DISTRICT

Case No.: SS 014577

Colin Farrell

vs.

DESSARAE BRADFORD

Motion to set ASIDE

new HEARING DATE September 25, 2006

Though I could not afford the retainers the lawyers
I spoke to ~~to~~ ^{to} ~~ask~~ ^{ask} for, I was going to appear
fully prepared to argue my case and show that there
is no cause for me to have a restraining order
on me and attached to my name. Your clerk
has scheduled September 25, 2006 at 8:30am in
Dept F to be the new hearing date. AND I
will be prepared and early to your court to
have a hearing for both matters (motion to set aside
AND
restraining order
hearing)

THANK YOU!
