hey i will be ok i talked to gina ford and ben today they were so nice to me!..... i wish i lived there i hate  
it here!..... tired of being alone!..... and now more than ever i cant leave my house press  
everywhere!..... just want to be happy and that if fuck wont leave me alone and treats me like shit in  
front of his friends it has always been them over me, when hes in kentucky on im a bitch and hes so damn  
mean sends me texts so hateful!..... ive changed all my numbers 3 times got a great security system  
sohe dont get in without the alarm going off!!!..... but he got in in jan..... when i was very sick do u  
remember what i told you???..... well one of two people once in dec and twice in  
jan..... you do the math but i hear someone cant do what has been done!..... so hear i go  
again alone and at high risk this time no ones happy for me so how can i be and thats so sad cause its all i ever  
wanted but not alone!..... just got out of the hospital and they were worried about me not the other i  
said dont even go there!..... i finally got out was so scared of what they might do!..... i cant  
work now so im pretty much fucked for a bit!..... sure counting on the court to give me my money  
fast!..... cause all i want to do is move from this house and get a better one and just start  
over!..... and to boot ive gained 30 pounds im horrified!..... but i want to be excited but how  
can i when nobody else is!..... i should of took ben up on his offer of getting me a house and someone  
to take care of me but bad timing i guess or stupidity!!!!..... well ive talked enough cant sleep hope all  
is well with u and family!..... yall are all so great i love yall much! p.s. i no bons been talking to lily and all  
wll u tell him i heard she was gonna sell pics of me, please ask him to ask her please dont that! why im so  
werd! when it comes to people cause ive always gotten fucked for being nice!..... wish u all the  
best, and hope to see u soon!..... Xoxo
