Dear Sir or Madam,

I am contacting you because I have recently acquired some digital photos (450 pictures). On this memory stick are personal photos of Angelina Jolie and Brad Pitt and their children. These photos are in thier home and on vacation, are good quality and are close up. These pictures have not been seen by anyone else. I am contacting you and several other Papers, magazines and websites to see what these photos may be worth. I am attaching 3 photos so you can verify the authenticity of them. You can contact me through this e-mail address:
