SOURCE OF ACTIVITY:

On 07-17-2002 at approximately 0050 hrs. I was on vehicle patrol on marked police unit 75 E/B on Young Drive North approaching Westwood Plaza. I was wearing the department's summer class uniform.

OBSERVATIONS:

As I crossed the above-mentioned intersection, I saw an older model red Nissan 2 door Pathfinder executing a left turn onto W/B Sunset Boulevard from N/B Westwood Plaza. The Nissan had a green light while Sunset Boulevard traffic had a solid red light. Approximately five seconds after the Nissan executed the turn, I saw a white newer model Toyota Corolla heading W/B on Sunset Boulevard fail to stop for the red light (in violation of 21453(a) CVC-Stop for red light). The vehicle entered the intersection at approximately 35 MPH. The driver (later verbally identified as **RICHIE**, Nicole Camille DOB 09-21-81) then began to accelerate up the hill as it passed the red Nissan, which was in the number two lane of traffic.

Based on the vehicle code violation I attempted to catch up with **RICHIE** who's vehicle was still pulling away from me even as I reached a speed of over 50 MPH. I then saw **RICHIE** make a right turn on Bellagio Road and again begin to speed up the residential road. Bellagio Road is illuminated with city streetlights as well as some lighting from residential lights. Although there is lighting, there are some areas where it is dark and difficult to see what is ahead of you. The road also has a series of S curves and two speed bumps with posted signs of 15 MPH.

When **RICHIE** reached the curve adjacent to Bellagio Road, I saw her drive on the opposite side of the two-lane road that was on a blind curve (in violation of 21752(a) CVC-Driving to the left of double yellow line at a curve/Obstructed view). She then drove over a speed bump at over 50 MPH at 10940 Bellagio Road that had a posted speed limit of 15 MPH (in violation of 22350 CVC-Basic Speed law). When **RICHIE** reached the curve just south of 10971 Bellagio Road, I saw the Toyota straddle both lanes of traffic on the two-lane road.

Based on the vehicle code violations, I initiated a traffic stop on **RICHIE** at the intersection of Bellagio Road and Bellagio Place. When I began to talk **RICHIE** I smelled the strong odor of an unknown type alcoholic emitting from her breath. When I asked **RICHIE** about her driver's license she told me that she left it in her residence. Based on this, I conducted a Code-10 check on **RICHIE** which returned with an Infraction warrant for 12500(a) CVC- Unlicensed Driver / \$10,000.00.

ARREST:

I placed her under arrest for the warrant. Ofcr. R. Bolanos #383 transported her to the police station for processing. Upon my arrival at station I asked **RICHIE** to perform the Standardized Field Sobriety Test (SFST). **RICHIE** was unable to perform the test as explained and demonstrated. Based on the multiple vehicle code violations and the fact **RICHIE** was unable to completed the SFST as explained and demonstrated, I formed the opinion she was unable to operate a motor vehicle safely. I informed her that she was under arrested for 23152(a) CVC-Driving Under the Influence of Alcohol.
